One Possible Version:

Hello, everyone! It's my honor to introduce an astronaut hero — Wang Yaping.

Wang Yaping is a 42-year-old woman who was born in a small village in Shandong Province. Doing sports is her hobby and she exercises every day.

As we all know, she is proud of China and loves our motherland very much. To achieve her astronaut dream, she always overcomes the difficulties in training and never gives up.

Wang is an example to us all. In the future, I will work for my country like her. I will run every day to have a strong body. Also, I'm going to make a weekly plan and study hard to improve myself. What's more, no matter how hard it is, I'll stick to my dream!

Thank you!
